

1. Purpose of Establishing the Seminary (PTTS)

Now is the time for a new seminary to be established based on the pure and orthodox gospel of the Apostle Paul.

This is not merely about building another school, but about restoring the broken framework of the Church and theology, and bringing about a spiritual movement to rebuild the Church, which is the Body of Jesus Christ.

Together with AI and with the help of the Holy Spirit, we must restore the evangelical essence of Pauline theology to all Christians living in this generation.

Let us all be united through the gospel preached by Paul, who followed Jesus Christ, and let us build up our faith through the Church and theology rebuilt upon Pauline orthodox theology.

Thank you.
