

2. Message from the President

Pauline Truth (Orthodox Gospel) Theological Seminary

Dear fellow co-laborers in Christ, and all faithful servants in this generation who long for the truth, I pray that the grace and peace of our Lord Jesus Christ may abundantly rest upon you.

Today, we give heartfelt thanks to God for His great grace as we proclaim, according to His sovereign will and providence, the inauguration of Pauline Truth (Orthodox Gospel) Theological Seminary.

This seminary is founded upon the pure and orthodox gospel proclaimed by the Apostle Paul—the gospel of the cross and resurrection of Jesus Christ, the gospel of grace and truth.

In this generation, when the church and theology have become confused and distorted, we stand before the calling of our time: to restore the original form of Pauline theology and to rebuild the church firmly upon that truth.

PAULINE TRUTH THEOLOGICAL SEMINARY is not merely an academic institution for theological instruction. Rather, it is a spiritual community of mission, guided by the Holy Spirit, dedicated to being sanctified through the truth.

Here, we will learn and teach systematically the depth of Pauline theology founded upon Scripture, and we will nurture disciples of truth who practice that truth in their lives and ministries.

It is our vision that every home becomes a seminary and every believer a student of the Word—so that all who have long desired to study theology but were hindered by time, finances, or environment may now receive this gracious opportunity God has provided.

Through Pauline Truth Theological Seminary, may the gospel that Paul preached be proclaimed to the ends of the earth, and may this seminary raise up faithful missionaries and servants who will fulfill the Great

Commission.
