# 4. Operational Guidelines for Pauline Truth Theological Seminary

The operational plan for the Pauline Truth Theological Seminary (PTTS) is designed on a "Home Seminary + Online Seminary" model, enabling anyone to begin theological study from home.

---

## Phase 1: Laying the Foundation for the Seminary (Establishing Vision and System)

### 1. Clarifying the Purpose of Establishment
1) A seminary that teaches Pauline Truth (the Orthodox and Original Gospel)
2) Bible-centered education that transcends denominations and sects
3) A vision to make every home a seminary — the "Home Church Seminary" vision

### 2. Defining the Seminary Name and Philosophy
1) Official Name: Pauline Truth Theological Seminary (PTTS)
2) Core Philosophy: "The Gospel was made clear through Paul. The home must become the training ground of the Gospel."

### 3. Core Operational Principles
1) Online-centered and home-based courses
2) Multilingual support (Korean / English / Chinese / Russian / Indonesian / Spanish, etc.)
3) Integrated system for video lectures, textbooks, exams, and assignments

---

## Phase 2: Designing the Operational System (Registration, Exams, Tuition, Degrees)

### 1. Registration Method
1) Open online registration for all (faith confession, application form, short self-introduction video)
2) Simple "entrance interview" or "faith confirmation essay" required upon admission

### 2. Examination System
1) Online exams for each subject (multiple-choice + essay)
2) Includes grades for assignments and class discussions

3) Continuous assessments + final comprehensive evaluation system

## 3. Tuition Policy
1) Basic principle: Based on dedication and voluntary support
2) Tuition flexibility or scholarship options based on regional economic conditions
3) Sponsorship program operated through donations and offerings

## 4. Degree Conferral
Upon completion of each official program, degree certificates will be awarded (with options for online/offline graduation ceremonies):
Stage 1: Certificate(Basic Course)
Stage 2: Diploma / Bachelor
Stage 3: Master of Theology (M.Th)
Stage 4: Doctor of Theology (Th.D)

---

## Phase 3: Curriculum Structure
## 1. Undergraduate Program (Bachelor, 4-year course)
- Courses: Pauline Theology, Introduction to Old & New Testaments, Church History, Systematic Theology, Pneumatology, Eschatology, Doctrine of Giving, etc.
- 8 semesters in total + final thesis project

## 2. Graduate Programs (Master / Doctoral)
- Biblical language studies, thesis writing methods, advanced Pauline Theology, critique of modern theology, and related research

## 3. Home Church & Mission Leader Training
- Practical ministry application and field training (includes online practicum)

---

## Phase 4: Building the Implementation Platform
## 1. Website and Platform Development
1) Integrated system for registration, learning, testing, and lecture access
   Use of platforms such as Zoom, YouTube, and HeyGen for video lectures
2) Downloadable lecture notes, PPTs, PDFs, Word files, and translated materials

## 2. Media & Studio Utilization

    1) Guidelines for operating small-scale home studios

    2) AI-powered video lectures (using tools such as HeyGen)

    3) Training in video editing and content uploading

---

## Phase 5: Global Expansion and Network Formation

## 1. Establishing Translation Teams by Language

    English, Chinese, Russian, Spanish, Indonesian, and more

## 2. Global Proclamation Project

    1) Spreading the vision "Every home is a seminary"to pastors and believers worldwide

    2) Promoting international conferences and partnerships with ministry organizations

---

## Phase 6: Long-Term Strategy

    1) 5-Year Goal:Train 1,000 ministers across 100 nations

    2) 10-Year Goal:Establish representative home seminaries on every continent

    3) AI Integration:Build an automated curriculum management system connected with AI
